

ETNA 2020 @ IMAGINE MOBILITY FORUM 2019

04. 06. 2019, ESTACA Campus Paris Saclay

Project ETNA 2020 and Mov'eo |Imagine Mobility invite you to learn the essentials of the EU Research and Innovation programme Horizon 2020. The summer update of the Horizon 2020 work programme will provide researchers and innovators with a fresh opportunity to participate in this flagship EU initiative. At the Forum, a network of experienced National Contact Points will guide you through the complex H2020 environment from the initial idea, setting up the consortium, up to the smooth running of a project. Don't hesitate to join one of our activities in Paris:

TECH SESSIONS

11:00 – 12:30

The session aspires to motivate and answer the fundamental questions relating to the Horizon 2020 framework. ETNA 2020 is set to help regardless of your previous experience. The talk for newcomers will be there to illustrate the successive path of a H2020 proposal and highlight where we may work together.

ETNA 2020 INFORMATION BOOTH

10:00 – 16:00

Get to know H2020 National Contact Points. Gather any further information on Smart, Green and Integrated Transport in Horizon 2020 in person.

B2B MATCHMAKING

10:00 – 12:30

Matchmaking will be a perfect place to meet like-minded innovators casting their eyes on Horizon 2020. You can pitch your ideas and meet potential project partners.

If you would like to participate at the matchmaking event please contact:
